- ❖ "Hello! I just read your writings about this cemetery and the families of those interred there. Yesterday, literally yesterday, I returned to my Chicago suburb from a road trip to investigate this cemetery in Perryville, KY!! It is very funny that I should now see a new book about it just issued this month!! I absolutely want a book, and want to get the money to you as soon as possible as I am very eager to read what is in it."
- ❖ "Hi Bob, I received my new book yesterday! WOW is all I can say. It is a beautiful book and I can't wait to read every page. My first glance through, was very impressive."
- ❖ I just received the book today. It is beautifully done and I am thrilled to have it. I was moved to tears when I read the letter from my sister Katie Wenzler as I did not know that she had written it. She would have been so thrilled to have seen it in the magnificent historical publication of our family. Sadly she passed away in 2015. Thank you for all the many hours and years of work that must have been put into this book. I will treasure it forever.
- ❖ "I am sitting here at lunch looking through your dad's book. I am looking forward to reading your part on Perryville, a battle I am not familiar with. I can tell this was a labor of love. Well done!"
- ❖ "I am enjoying the book. Every time I walk by it, I have to stop and look!"
- ❖ "Dear Bob, The book came a few days ago and I am so pleased with it. You have done another GREAT JOB getting all this information together. All of us will treasure this book and appreciate the time and effort you and the family took to put it together. You were kind to thank those of us who gave you info about the cemetery."
- ❖ "I just received the book 'Old Union Cemetery' written and compiled by Robert Pipes.... While certainly geared toward the families who have ancestors in the cemetery the book is more than that. It has excellent color photography, a church history, cemetery history including known burials, a footnoted section on the Battle of Perryville, and more. Proceeds help with the upkeep of the cemetery. The book is limited to 200 copies. I highly recommend getting with Jason [or Bob] about ordering your own copy while they are available."
- ❖ "I received [my book] on Saturday and am very impressed!"
